

NORTHERN KENTUCKY MEDIA ADVISORY

NORTHERN KENTUCKY MOTORISTS LOSE NEARLY \$1,700 PER YEAR ON ROADS THAT ARE DETERIORATED, CONGESTED & LACK SAFETY FEATURES

*Local speakers join national research group in review of
road & bridge conditions, congestion, safety*

WHEN: 2:30 p.m. Thursday, February 23

WHERE: Marriott River Center, Kentucky Room
10 West River Center Boulevard
Covington, Kentucky

WHAT: The average driver in Northern Kentucky loses nearly \$1,700 annually as a result of driving on roads that are deteriorated, congested, and that lack some desirable safety features, according to a new report from [TRIP](#), a national nonprofit transportation research group based in Washington, DC. Local speakers will join TRIP on Thursday to highlight the findings and discuss possible solutions.

The report, *Kentucky Transportation by the Numbers: Meeting the State's Need for Safe, Smooth and Efficient Mobility*, examines road and bridge conditions, congestion, economic development, highway safety, and transportation funding in Kentucky. In addition to statewide information, the report contains regional data for Bowling Green, Lexington, Louisville, Northern Kentucky and Owensboro.
