SYRACUSE MEDIA ADVISORY

NEW REPORT EVALUATES NEW YORK’S ROAD AND BRIDGE CONDITIONS, TRAFFIC SAFETY, TRANSPORTATION FUNDING AND ECONOMIC DEVELOPMENT

A new report that evaluates the current condition, use and funding of New York’s surface transportation system will be released at a news conference in Syracuse at 10:00 a.m. on Thursday, March 19, 2015. The report is being released by TRIP, a national nonprofit transportation research group based in Washington, DC.

The report, “Conditions and Safety of New York’s Roads and Bridges,” provides key facts and figures regarding road and bridge conditions, economic development, highway safety, and transportation funding in New York State. In addition to statewide information, the report contains regional breakdowns for Albany, Buffalo, New York City, Rochester and Syracuse.

Rocky Moretti, TRIP’s director of research and policy, will present the findings of the report at the news conference. Local speakers will also be on hand to comment on the report.
